

Attendance = Achievement

Attendance monitors

Attendance monitors have now been chosen for each class! Each child will receive a letter home to explain their new role and a badge to wear at school. These children have the important job on making sure their class know what their attendance is each week by putting up the attendance posters for their class. They also have the important task of recording the children in their class who are on time every day by using a tick sheet. If you are on time every day for two weeks your attendance monitor will let Mrs Broome know and your name will be entered into our half-termly prize draw.

Remember—being on time for school means you learn more and you have more chances of winning that punctuality prize!

Our Spring Term Punctuality Prize is:

A voucher for JR Zone!

Attendance Updates

Education Welfare Officer led Attendance meetings - this week we are meeting with Sarah Baker to discuss all children whose attendance is below 95% and those that are persistently late. This may involve inviting families to Attendance meetings to discuss ways forward in improving attendance. These are supportive meetings led by Sarah and are also attended by Mrs Broome, our Deputy Head Teacher and Mrs Hussey, our child and family worker. Children who do not reach our attendance target do not achieve as well as those who do - it is our duty to ensure your child achieves their very best, it is your duty to ensure they attend school regularly. We are duty bound to work with all families to support increased levels of attendance and punctuality.

Attendance meeting requests will be sent out in the next couple of weeks. If you feel you need to talk to someone about your child's attendance and/or punctuality, please contact the school and arrange a meeting with Mrs Broome or Mrs Hussey.
