The Anti-Bullying Association defines bullying as "the repetitive, intentional hurting of one person or group by another person or group, where the relationship involves an imbalance of power." There are several different 'types' of bullying;

Emotional - a person is made to feel isolated by people making fun of them, ignoring them or teasing them. This can be difficult to spot as there are no physical signs of it.

Verbal - verbal bullying involves calling someone names, insulting them for how they look or behave and even making threats to them. Like emotional bullying, verbal bullying is difficult to spot by adults as it is often done when they are not around and there are no physical signs.

Physical - examples of physical bullying include punching, kicking, pushing and using any kind of force against another person. The signs of this are easier to spot as there may be bruises, cuts and grazes or torn clothes.

Cyber - cyber bullying takes place online. It is often considered one of the most distressing types of bullying as there is no escape from it. Cyber bullies can make videos, spread lies about and openly insult or make threats to their victim and send them private messages.

At Nine Acres, we do not tolerate any kind of bullying. Our Anti-Bullying Policy, which can be found on our website, can tell you how we deal with instances of bullying and how we support our children.

The children are regularly reminded of how to handle bullies and what they can do to stop it in assemblies and by staff.

Some useful websites with more information on bullying are: <http://anti-bullyingalliance.org.uk>, <http://www.bullying.co.uk>, <https://www.stopbullying.gov>, <https://www.nspcc.org.uk/preventing-abuse/child-abuse-and-neglect/bullying-and-cyberbullying>

If you are bullied:-

DO:-

- Ask them to STOP if you can.
- Use eye contact and tell them to go away.
- Ignore them.
- Walk away.
- TELL SOMEONE.

DON'T:-

- Do what they say.
- Get angry or look upset.
- Hit them.
- Think it's your fault.
- Hide it.
- Don't retaliate.

What should I do if I see someone else is being bullied?

- Don't walk away and ignore the bullying
- Tell the bully to stop if it is safe to do so.
- Don't stay silent or the bullying will keep happening
- Don't lose your temper
- TELL SOMEONE

The Head Teacher, The Deputy Head teacher, the Governors, the staff, the pupil leadership team and the children will work together to:-

Make our school a place where everyone can feel safe and happy. That means no bullying allowed.

We will help everyone to get on with each other and we believe that everyone has the right to feel safe and be who they are.

Parents Voice IW
SEND and Disabilities

Are you the parent or carer of a child or young person age 0-25 with special educational need and/or a disability (SEND)?

Parents Voice IW, the Island's Parent Carer Forum need your help! We have launched a survey to help gather the views of local parents of children with SEND. We would really like you to tell us your recent experiences around the support you, your children and young people have received. In September 2014 there were reforms to legislation (Children and Families Act 2014), often referred to as the "SEND Reforms", and we would really appreciate your views, opinions and experiences since then, to help improve our local services and also to highlight areas which you think work well.

For more information or to take part in the survey, please see here
<https://www.surveymonkey.co.uk/r/PVSENDSSURVEY2017>.

Alternatively, if you would like a copy of the survey sent to you, or if you would like some help to fill it in, please contact Jo on 01983 823898 ext 2838 or email joanne@peoplematteriw.org.

The survey can also be found on our website here www.parentsvoice-iw.co.uk
