Dear Parents/Carers,

National Curriculum Assessments (SATs)

As you will be aware, the Year 6 pupils will be completing the Government's National Curriculum Assessments (previously known as SATs) on the week beginning 13th May 2019. These assessments are completed by Year 6 Children in every school and are used by the government to gain a picture of attainment across the country, inform them about a schools performance and to inform secondary schools of children's starting points when they join them.

The Year 6 pupils have been working extremely hard this year to ensure they are going to be ready and prepared for these assessments and their continued attitude towards their learning is exemplary. As they are now fast approaching, we would like to invite you to an *information meeting* in order to share with you the structure of the assessment week, what the assessments look like and offer some advice in order for you to support your child with the lead up to and during this important assessment period.

We are offering two opportunities to attend on Thursday 28th February.

Meeting 1: 3:15 – 3:45 pm (a crèche will be available during this meeting)

Meeting 2: 5:00 – 5:30 pm

You will only need to attend one of the meetings which should last around 30 minutes. If there is any reason you are unable to make either of these times, please let the office or your child's class teacher know and we will endeavour to find an alternative day and time for you.

Please complete the slip below to indicate which meeting you will be attending and return to the school office.

Many Thanks,

Sharp - Ahmed Donald
