I receive valuable information from the school about my child's progress...	89%	3%	8%
I would recommend this school to another parent ...	Yes: 102 parents No: 4 parents		

You said....	We will....
Great school, so glad we made the decision to move here.	Thank you! Please continue to spread the word about our amazing school. We will continue to make dedicated time available to meet new families who are considering us as THE school for their child.
Amazing school with amazing morals. Only wished I had moved my children to Nine Acres sooner.	We are so pleased to be part of your child's educational journey. Thank you! We will continue to work hard on developing our curriculum and opportunities for the children as they learn with us.
Great EYFS setting.	Thank you. We are very proud of our EYFS provision. We will pass this comment on to the EYFS staffing team as I know they are always keen to hear your feedback.
Absolutely rate this school to the highest standard. Any problems that have arisen in the past have been dealt with efficiently. All staff are approachable and welcoming. My child has made great progress in the last two years due to the hard work the staff put in and the unique approach to all learning needs.	Thank you. We will continue to provide high quality and national level professional development for all our staff so the children receive the very best education. Our staff are a credit to our school.
My son has been teased by older boys a couple of times in the playground but his teacher had handled this excellently. I think the EYFS staff are brilliant and the school as a whole is fantastic.	We are sorry to hear this. We talk to the children about our Value of Respect regularly both in assemblies and in class. We are glad that the teacher followed the procedures and the matter was dealt with. We will continue to provide support to the staffing team to ensure issues are resolved quickly and sensitively. We will continue to monitor behaviours and liaise with families to support children.
An amazing school fantastic teachers and all very supportive.	Thank you! The team are incredible and work very hard for all the children. They believe in the vision and are determined to support each child to be their very best. We will continue with our 'Meet the Teacher/Staff Member' as part of our regular newsletter feature so you can get to know everyone.
Very happy child in Y1 always wants to go to school and eager to learn both at home and at school which is lovely.	This is lovely to hear. We will continue to support pupils with their home learning through our free homework club. We will continue to celebrate pupils' achievements weekly both inside and outside of school, as we are very proud of their dedication to their learning.
Staff are always happy to help with any concerns.	Thank you! We will continue to ensure that we are all as accessible to you as possible. Please contact the office for an appointment with the class teacher in the first instance if you need to discuss anything.
I feel that this school provides my children with a very positive educational experience	Thank you. We will continue to visit other excellent schools including schools on the mainland to make sure we are keeping up to date with the best practice.

Your comments continued.....	We will...
Both my girls are very happy at this school and we are very happy with their progress.	Great news! <u>We will</u> continue to encourage our parents to attend the parents evenings and events so they can see their child's progress and share in their child's learning.
Allow the children to use the toilet when they need to.	We encourage the children to use the toilets in the break and lunchtimes so they do not disturb their learning or the learning of others during lessons. However if they are really desperate we do of course let them use the toilet when they really need to. <u>We will</u> review this in classes with staff and children again.
Trip opportunities are brilliant, well organised and relevant. The job scheme is also a fantastic opportunity.	We love our Nine Acres Economy. <u>We will</u> review the process with the children and get their feedback on the job scheme. <u>We will</u> continue to look for trips that enhance each child's experience. Thank you for your support with them!
There needs to be some kind of management over misplaced uniform.	We have our lost property area that the children are aware of and do encourage the children to take responsibility for their belongings including making sure items are named! <u>We will</u> always pop something in the newsletter if you let us know so everyone can keep an eye out for any missing items. Our staff will also keep a look out!
The school provides lots of extra-curricular experiences and opportunities, which is a real strength.	This is great to hear. We try to offer a variety of experiences. <u>We will</u> continue to listen to the children about what they would like to do at their school to enhance their experiences.
I am very pleased with how my child has improved since last year and is really grasping the willingness to learn.	Well done! We provide all the staff with regular professional development so they are highly trained in supporting pupils progress. <u>We will</u> continue to celebrate pupil's individual success' with you.
I have total faith in the school and my children are doing really well and if there has been any issues I have always felt I can approach the teachers and know I have support. Also learning issues that may have arisen have also been seen to and sorted. We are so proud to be part of it.	Thank you. We are lucky to have such wonderfully supportive families and pupils who really care about their education and enjoy their experiences at school. <u>We will</u> continue to celebrate the uniqueness of Nine Acres with the whole Island community!
An amazing school that not only provides excellent teaching but provides so many wonderful opportunities for all the children. I am so pleased my son is having this experience of Primary School, thank you Nine Acres.	This is lovely - thank you. <u>We will</u> always be 'Striving for Excellence' for all our pupils!
I am concerned that the children did not get to participate in Global Rock this year and I am deeply concerned that they will be the first group not to attend the residential in Wales.	We wrote to our Y5 families at the time as due to the rising costs the school could not continue to subsidise Global Rock by the cost of £3000 and Wales by £2500 in this national financial climate. We did however provide an alternative opportunity which they thoroughly enjoyed. <u>We will</u> be looking for an alternative to Wales for the next Y6 pupils for the Summer Term. Any ideas would be gratefully received!
Both my children started in Reception, and are now in Y5 and Y6. The school have always worked with the children's interests at the heart. Looked after and taught them well. In my opinion it is the best primary school, and will be very sad when my children leave. Such a nurturing environment. Highly recommend.	We are really delighted to hear this. Your child's journey through Nine Acres is important to us. <u>We will</u> continue to provide our nurture for all our pupils in every class and review our teaching and learning so it engages everyone.
My son has told me a few times about other kids playing rough. He said he has told an adult but nothing has been done about it. He also told me on a few occasions that he has not received house points that he had been given.	We are sad to hear this. We have clear procedures in school which are followed by staff and monitored by members of the Senior Leadership Team. <u>We will</u> review procedures with all staff in our next staff meeting time. <u>We will</u> also be looking at how our Sports Coaches support play at lunchtimes for all children. Our children love their House Points tokens! I am sorry if he had not received them at the time and <u>we will</u> remind staff to ensure they are well stocked with tokens in the classrooms so they are easily accessible at that time and not forgotten!
The office need to communicate better with teachers by passing on messages or letting teachers know about upcoming event days.	Nine Acres Primary is very much one school and the office team are integral to this. They routinely communicate with staff through face to face discussions, emails and briefings. <u>We will</u> continue to reflect on your comment and review our processes. Please let us know if this happens again!
Communication can sometimes be an issue, sometimes parents are not given enough notice for trips, school/ parent activities .	We currently communicate through a variety of mean for example; text messages, weekly newsletter, phone calls, curriculum leaflets, Facebook, twitter and letters home to name just a few. We will continue to plan ahead so communication is timely to support parents.
Nine Acres is an excellent school.	Thank you! <u>We will</u> continue to welcome new families to our community who regularly choose Nine Acres as the school of choice.
OUTSTANDING EYFS provision.	Thank you! We were so proud to have received this recognition by Ofsted. <u>We will</u> continue to develop our provision to meet the needs of the children and very much value your partnership in their educational journey.

Durham:	93.00%	4
York:	92.00%	1

Whole school attendance this week is: **95.04%**

Well done Stirling!!

Meet the Teacher

Miss McDonald

A bit about me ...

My family (my mum, dad and 3 sisters) and I moved to the Isle of Wight from London when I was 8. At 18, I went to university in London to study one of my favourite subjects: history. Teaching is something I always wanted to do as a child and after volunteering at a local primary school in London, and then supporting at my local youth group when I was back on the Island during the summer, I went on to complete my teaching degree in Southampton. After living on the mainland from the age of 18–26, I decided to move back to the Island and currently live in West Wight.

I have been teaching for nine years; throughout my career so far I have had a number of different leadership responsibilities including: English leader, Maths leader and Year leader.

Why I enjoy being part of the Nine Acres Team

From the moment I walked into Nine Acres, I felt the amazing atmosphere of learning and positivity. The pupils are an absolute pleasure to teach and be around on a daily basis. I love the way the pupils of Nine Acres always push themselves and work so hard and also how brilliant they are in supporting each other throughout the school.

My Education

Field End Infant & Junior school (London)

St. Saviours Primary School

Archbishop King Middle School

Carisbrooke High School

BA Hons History Degree (Roehampton University, London)

PGCE Qualification (Southampton University)

NPQSL (Winchester University)

Things I am learning to help the children

I am learning new ways to help our pupils develop their life long aspirations. Helping them to achieve their work targets within school but also helping them to think into their successful futures.

My Favourite Things

I really enjoy watching detective films and series and reading crime novels. Sherlock Holmes is one of my favourite all time characters.

I have a bit of an obsession with shoes, particularly high heels, and at one point I had 63 pairs!

I love dogs and would really like to have one of my own to bring on long walks; until I am able to get one, I go and borrow my parents' dog Molly.

Development Days

so far.....

Monday 3rd September 2018

Friday 23rd November 2018

Friday 21st December 2018

Monday 17th June 2019

Tuesday 23rd July 2019

HELPING HANDS

Easter Disco – Friday 5th April.

5.30 - 7.30pm

The big day has arrived and we are all very excited about the disco tonight. We can't wait to see the fabulous costumes (fancy dress is optional and there is no them) and have some fun. We are hoping to have a few more opportunities available so as well as the usual refreshments, raffle and colouring there will also be face painting and nail varnishing on offer!! Please remember, as in previous events, all children must be accompanied by a responsible adult and every person attending needs a ticket regardless of age.

*****NEW*** May Fayre – Friday
3rd May 2019 3.20 – 5.20pm**

We are very pleased to announce the date of our May Fayre, which we have been busily planning for a while. Stalls will include Face painting, sweet tombola, raffle, cake sale, refreshments, Paint a rock, and Bouncy Castle. The event will start with a display of Maypole Dancing and we hope to see you all there – so save the date!! We would also like to announce that there will be pony rides available again this year! Look forward to seeing you all there

NEXT MEETING - Monday 6.5.19

Dates for your Diary

New Date – Easter Disco – Fri 5th April 5.30 - 7.30pm

NEW May Fayre – Friday 3rd May 2019 3.20 – 5.20pm

NEXT MEETING – Monday 6th May 2019

Open Maths Mornings

Parent Feedback

We were thrilled to see so many parents/carers attend our Open Maths Mornings over the last couple of weeks.

'The Maths morning was very fun and interesting. It was nice to see how much they have learnt and how far they have come. Alfie loved filling the piggy bank working out the correct coins to go in it.'

'Good variety of problem solving games. Great way to get the parents involved with children's learning'.

'I had a fantastic time seeing how well Caleb is coming along in his Maths. It also gave me ideas for ways to teach him at home. Thank you'.

'What amazing number skills, brilliant learning. We had loads of fun working out what money he would need and what coins to use to make the sums up. Thank you for a wonderful morning'.

'Enjoyable time spent. Children seemed to enjoy the activity'.

'I loved how relaxed and fun it was and how the children have there own independence. It was a really creative way to teach about money'.

Class Led Assemblies

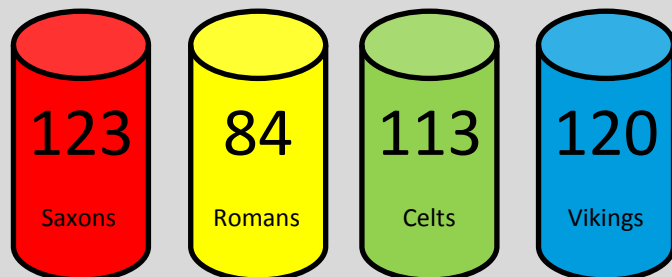

Please find details below for the class led assemblies, each class will lead an assemblies where families are invited in to watch.

Please sign in at the office at 9.15 a.m.

Date	Time (Hall)	Class

Sports News!

This week in PE...

EYFS – Cricket

Year 1 – Cricket

Year 2- Cricket

Y3, 3/4 & 4 - Hockey/ Netball

Year 5 & 6 - Hockey/ Table Tennis

Year 3 and 4 Girls Football Tournament

On Wednesday the Year 3 and 4 Girls football team travelled to Newport C of E Primary School for a friendly football tournament. All of the girls played incredibly well and showed how much they had improved over the last few weeks. They also showed great team work and sportsmanship. Well done girls!

Upcoming events

NEW Year 6 Interhouse Hockey Competition

26th April Year 5 and 6 Handball Competition

29th April Year 5 and 6 Handball Competition

30th April Year 2 Cricket Festival

30th April Year 5 Cricket Festival

Year 5 Inter-house Hockey

On Tuesday all children from year 5 participated in an inter-house hockey competition. Miss Moseley and Mr Ballard were really impressed with how the children put into practise the skills they had been learning in previous lesson as well as working as a team.

Stirling – Red, Yellow, Green, Blue
Edinburgh – Red, Green, Blue Yellow
Well done to everyone who took part!

Mr Ballard and Miss Moseley would like to say well

done to all pupils this term you have all done amazing! Keep up the hard work for next term!

Over the Easter Holiday try and stay active, get outside and enjoy some time playing sports!

Keep on Practicing!
