

# Year 2 Spring Term 2 2017 - Theme: Muck, Mess and Mixture

## English

Our book is *George's Marvellous Medicine*, another Roald Dahl classic. We will be learning and writing all about George's incredible medicine and making some of our own as well.

## Science

This half term we are learning all about different materials and how they can be used. We will be finding this out first hand through a range of different experiments.

## R.E

We will be learning all about the journey from sadness to happiness through the story of Easter.

## Mathematics

We will be practicing our addition, subtraction, multiplication and division as well as working on measures.

## Theme

We are excited to roll our sleeves up and get messy as this term our theme is muck, mess and mixture. We will be experimenting with all sorts of different materials, preparing food and making marvellous potions. What fun!

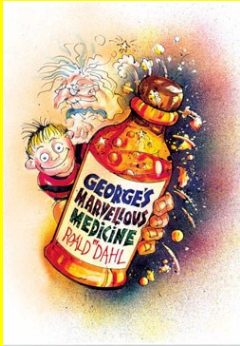

## Computing

We will be making algorithms using **SCRATCH** software.

Dear Parents and Carers,

Our new Roald Dahl trip is now on  
Tuesday 14<sup>th</sup> March.

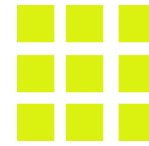

### How Parents/Carers can help at home...

- \* Reading at least three times a week
- \* Practicing spellings and handwriting
- \* Practicing counting, addition, subtraction, multiplication and division within 100

### Home learning

Weekly Maths or English homework will be given out on Fridays, which will need to be returned the following Friday.
