Year 4

Learning about cultural diversity and the different languages spoken by children in our schoolHost a Bear with the UK-German Connection project and one of our partner schools.

Alex the Bear arrives in April for three weeks. During his stay the children will be doing joint projects with our Partner School under the themes of:

Introduction to Alex

Berlin – (our partner school will be learning all about London)

Our home town – our children will do a project book full of interesting and fun facts about The Isle of Wight which will include places to visit and some photographs of our beautiful Island.

How do you celebrate your birthday?

The final project will be Farewell Alex.

I am also hoping he that he will be able to visit the Isle of Wight Radio and be interviewed by the County Press.

We would like to send Alex home with as many different children as possible so that he gets to visit as many places as he can during his stay here.
