PE in Action -

Year 5 and 6 Personal Best Challenge

Children from Year 5 and 6 have been taking part in a virtual personal best challenge this week in PE. The children worked really hard to improve their scores, showed good teamwork to help motivate each other as well as using their maths skills to record their results. Here are a few photos!

PE in Action - Year 2

Newsletter - Summer 2021

After a long year of virtual delivery throughout lockdown, Ross and Elys from the SHIFT-IT team are thrilled to get back into schools delivering bicycle training and promoting sustainable, active travel!

We have an exciting term of events and activities planned which will be promoted through your school and via our facebook page.

Stay up to date by following SHIFT-IT on facebook and Instagram

THE SHIFT IT APP

Our new and improved APP is now being used on a regular basis by primary schools.

We are offering digital raffle tickets to all schools that are using the app. The more classes that use it, the more chance you have of winning prizes for your school.

Schools using the Shift-It App are finding it very useful for understanding the daily school run. The data generated can also provide important evidence towards the 'healthy schools' agenda.

There will be a prize draw every month until the summer holidays and participating schools could win up to £200 towards active travel initiatives.

Active Travel Week
14th to 18th June 2021

Walking Routes for schools and families

Why not get outside and try one of the Shift It 'family friendly' local area walks. Whether you want a wander around Wootton or a coastal Ryde ramble, we have something for you.
