Measuring the Impact

Evaluation of our action plan and the resulting end of year award of a Sports Mark to our school.

We will monitor the increasing participation in PE and sport so that all pupils develop healthy lifestyles and reach the performance levels they are capable of.

We will look at progress in PE as well as other areas of development such as self-esteem, confidence and the numbers of pupils involved in sporting activities in and out of school.

We will collect feedback from staff and visitors to the school, along with pupil voice questionnaires.
