'Striving for Excellence'

Friday 4th February 2022

Nine Acres Community Primary School, South View, Newport, Isle of Wight, PO30 1QP  
www.nineacrespri.iow.sch.uk 01983 522984 Head teacher: Mrs E. Dyer BA Hons QTS, NPOH

Dear Families of Nine Acres,

This week we enjoyed our visit from the planetarium to help us with our Science learning, we celebrated the Chinese New Year and also were inspired by our virtual author sessions sharing with us all their tips and techniques! What a variety of experiences in just one week!

We are already thinking about our World Book Day celebrations on 3rd March. We have spoken to the children and staff and the ideas have been flowing. Our focus this year is on 'words' to extend our vocabulary understanding. Each year group will be coming home with a list of words that they can then choose one of these words to dress up as. Don't worry we will be sending home more information shortly and also some picture ideas for inspiration! On the day we hope to have a 'vocabulary' catwalk in which the whole school can show off their new words and meaning.

Next week we are taking part in Children's Mental Health Week and also Internet Safety Day on the Tuesday. We will also include information next week for parents so you can keep fully up to date and help support your child at home.

Have a lovely weekend!

Mrs Dyer

## TO THE PARENTS/CARERS OF RECEPTION AND YEAR 6 CHILDREN

During the Spring term the Reception and Year 6 children are having their height and weight recorded by the School Nurses on behalf of The Local Authority Public Health, as part of the National Child Measurement Programme. Nationally this data is sent anonymously to the Department of Health who use the BMI (Body Mass Index) calculated from the measurements to target relevant services to specific areas of the country.

Locally this data is kept on your child's health notes and soon you will be sent a letter informing

you of which range your child's BMI falls into. It is important to remember that whilst this BMI data is useful to show national trends, individually it may produce some unexpected results. The BMI ranges try to account for the fact that children are constantly growing but occasionally an anomaly will occur and a child who looks to be in proportion will record a BMI outside the 'healthy range'.

If you receive a letter that puts your child into a different range to one you were expecting or you have a concern regarding your child's growth, please contact the School Nursing Team who will be happy to look at individual data and offer any support or advice.

Your School Nurse can be contacted on  
0300 123 5224

Food Banks support many families across the country and are not just a source of food in a crisis – they can provide a listening ear and signpost you to other agencies who may be able to help if you need it. Referrals can be made to any of the Island's Food Banks for your convenience or confidentiality. There are currently Food Banks in Newport, Freshwater, Cowes, Ryde and Shanklin. If you would like some more information or are in need of a voucher, please speak to Mrs Hussey.
