Dear Parents and Carers,

RE: Booster Sessions for Year 5- Warwick Class

In order to prepare our Year 5 children in Warwick class for the fast approaching SATs tests in Year 6, we would like to ensure that they have the opportunity to further secure and embed their knowledge, skills and understanding in the Mathematics and English curriculum.

We are going to be holding booster sessions on Monday's after school from 3.10pm to 4.10pm, which will be led by myself.

The sessions will run every week from the week beginning Monday 2nd December until the end of the academic year. We have considered children wanting to attend Enrichment Clubs after school clubs, and Monday's were the most suitable day to ensure that children didn't miss out on either the booster sessions nor any after Enrichment Clubs.

We would really like to see as many of the children there as possible so we can give them more support in these all-important last two years of their primary education.

Please return the slip to the office by Friday 29th November.

If you have any enquiries please don't hesitate to see me.

With many thanks,

Miss Bekesi
