22nd January 2020

Dear Parents/Carers,

Re. Fire Making Session with Les.

In order for Year 3 pupils to develop their understanding of the Stone Age and experience a small part of Stone Age life, they will take part in a fire making session with Les, our Forest School Leader. They will learn how Stone Age people were able to make fire in order to cook and keep warm. Each child will have the opportunity to spark a fire themselves to really deepen their understanding of what it was like to live in the Stone Age.

Pupils will be required to **bring in their own clothes** in a plastic bag for this session, much like the Forest Schools sessions they took part in during the Autumn term. They may get muddy being outside and will need extra layers to keep warm. The sessions will take place throughout the day on **Friday 31st January 2020**.

Thank you,

Phae

Miss Hancox & Miss Boxell

Year 3 Team
