

## Summer Term Over view for Languages

Year 1 will be continuing their learning through Die Kleine Raupe. This term they will learn about the life cycle of a caterpillar and make it using art. After half term they will write a Bug book, all in German!

Year 2 are continuing their learning through Hans und die Bohnenranke. The first half of term will involve learning some vegetables and fruit in German.

After half term they will be moving onto learning a little more about the geography of Germany and starting to learn to introduce themselves.

Year 3 will be learning rhyming songs and expanding their knowledge of speaking German.
