## Activities to try...

When you are singing, try to make sure you have good posture and concentrate on your breathing particularly in this song as there are lots of long sustained notes.

### Feeling Unsure? 😐

- Try singing along with the video until you feel confident singing each part and the African words correctly
- If you are unsure of the words try just using an Aaaaahhhh sound in the correct rhythm first
- If you can't make it to the end of each phrase in one breath don't worry, keep practising and your breath control will improve!

### Feeling Confident? 😊

- Sing clearly and confidently singing each phrase in one breath
- Partner up with someone at home or at school to practise the call and response parts of the song

### Feeling Very Confident? 😄

- Take it in turns to lead the 'call' part of the song and the 'response' part of the song
- This song is performed by one person or group 'calling' to another, can you stand opposite each other and sing together across a room or space?
