## WALK to SCHOOL WEEK!

There were 22 school across the island that took part in active travel week before we broke up for half term. We have received the results from Shift It and Nine Acres Primary School was the 4th most active school on the island when travelling to and from school! We have received an additional prize of a scooter and helmet. It has been a very hard decision but Yu Han from Year 5 has won the scooter! Another huge well done to everyone who took part.

### Benefits of Active Travel

- Healthier
- More focused in school
  - Better learning
  - Improves mood
