'Striving for Excellence'

Monday 2nd March 2020

Dear Year 1 Families,

Re. Family Stargazing Event

We would like to invite you to a family stargazing event held on the 17th March, between 6:00pm-8:00pm on the back playground.

The event is organised by the Ogden Trust in collaboration with Vectis Astronomical Society, which will be at the event to support you in stargazing.

You are welcome to come any time between 6.00pm and 8.00pm and you may bring along your telescope (but it's not a problem if you don't have one, there will be telescopes available) and of course, your family and friends who would enjoy this event.

We will monitor the weather and will aim to let you know well in time if the plans need to change due to bad weather.

We hope to see many of you there!

Best wishes,

Miss Bekesi
