## U11 Girls Danone Cup

We played against Ryde school in the semi-final and drew 2-2 taking us to penalties.

We won the penalty shootout 2-1 and saw ourselves reach the final.

We played Gurnard in the final playing for the cup! The game finished 0-0 in the final, meaning we had another penalty shootout to see who'd get first place. We won the penalty shootout 3-1 and were champions of the Danone cup!!!

Superb effort from all the girls, not giving up when 2-0 down and having the confidence to win on penalties. Nine acres are all proud of you!

## U11 Girls League

On Thursday the 22nd September our U11 girls played their first league match of the season against The Bay Primary School.

Despite the game being a physical affair with many chances created from our girls, we came out the winners. Finishing the game 1-0, we possibly could've scored more goals but it was a good win and we remain undefeated for this season.
