'Striving for Excellence'

Wednesday 18th December 2019

Dear Parents/Carers,

As part of our on-going commitment to supporting your child in their learning and preparing them to be ready for secondary school, we are establishing some after school English and Maths Challenge sessions. All children in Year 6 will be involved in the sessions.

These will commence every Tuesday starting on the 14th January and will run until 4.10pm; we will be expecting your child to attend. There will be no charge for the session and your child will be provided with a snack and a drink. The school leadership team will be supporting these sessions and many other staff have also volunteered their time. As a result of this staff commitment, your child will be working in a small group and they will have the same adult working with them throughout the sessions. We believe that this approach not only supports the children's learning but also nurtures them as individuals allowing them an opportunity to talk through any worries or questions they may have about their learning.

Please return the attached slip to the school to let us know if your child will be collected or will walk home by Tuesday 7th January.

Alongside this, there will also be an information meeting about the upcoming curriculum assessments held for Year 6 parents within the first week back in January – please find an additional letter attached for this information.

We would also like to take this opportunity to thank you for your continued support with the children's homework revision guides; we have been extremely impressed with the children's commitment to using them to help their learning and we are proud of the children's hard work so far this term.

Kind regards,

The Year 6 Team

Y6 English & Maths Challenge Sessions

Childs' Name:

Class:

My child will be walking home after the session at 4:10pm

(and have completed the relevant office forms)

My child will be collected at 4:10pm

My child will be attending the after school club at Little Acres at 4:10pm
